

## **Public Notice of Location Design Concept Acceptance and Finding of No Significant Impact**

On October 2, 2014, the Federal Highway Administration (FHWA) granted Location and Design Concept Acceptance for the following project: Financial Project Number: 424464-3-22-01.

Proposed improvements include widening of S.R. 388 (West Bay Parkway, Segment 2, *formerly known as C.R. 388*) from a two-lane roadway to four-lane divided roadway from S.R. 79 to S.R. 77 using a combination of existing and new alignments. Included in the improvements will be new bridges at Crooked Creek and Burnt Mill Creek; intersection improvements at S.R. 79, the access road to the Northwest Florida Beaches International Airport; a flyover ramp at S.R. 77; new intersections where the new alignment segments intersect existing S.R. 388; bicycle and pedestrian facilities; and stormwater treatment facilities. The project is located in Bay County, Florida.

A copy of the Environmental Assessment and Finding of No Significant Impact completed for the project is available for viewing at the following address and by contacting: Mr. Alan Vann, Project Manager, Florida Department of Transportation District 3 Environmental Management Office, 1074 Highway 90, Chipley, FL. 32428; Toll Free (888) 638-0250 ext. 1523; e-mail: [alan.vann@dot.state.fl.us](mailto:alan.vann@dot.state.fl.us).

This project will now proceed to the next level of development.
